Beautiful Words

Oscar

Can you really walk away?
The sympoms of your blame
Need to stay in just one place
The memories are erased
I just wanna hear beautiful words
Beautiful words returning
But all that you can say is you haven't heard
You haven't heard of beautiful words
Who are you now? Is this a waste?
Confused you've lost all taste
Invade your inner most abade
you're at the will to stay cos
I just wanna hear beautiful words
Beautiful words returning
All that you can say is you haven't heard
You haven't heard of beautiful words
I just wanna hear beautiful words
Beautiful words returning
All that you can say is you haven't heard
You haven't heard of beautiful words
I won't wait
I won't wait for you to say
Beautiful words
to me
to me
to me
to me
I won't wait
I won't wait for you to say
Beautiful words
to me
to me
to me
to me
I just wanna hear beautiful words
Beautiful words returning
All that you can say is you haven't heard
You haven't heard of beautiful words
I just wanna hear beautiful words

Beautiful words returning
All that you can say is you haven't heard
You haven't heard of beautiful words
I won't wait
I won't wait for you to say
Beautiful words
to me
to me
to me
to me
