

No Way

702

Everything you do is gonna hurt you
(You should know that's)
Just how things are, boy, you can't have me
(Don't mistake me)
For the average girl, I don't come easy
(You gotta work for it)
Can't be wasting my time
You don't deserve me, see there is no way
You want something
But you're talking 'bout nothing
One day you'll be wishing
You'll come to realize there's no way
You can get it
Ya tired game you should fix it
Must've got me twisted
Ya same old lines I can't take, no way
(La, la la la la la la la la la la)
(La la la la la la la la la la la la la)
My game is so tight, you can't fade me
(I'm not that type)
To come a dime a dozen baby, yeah
(Check yourself and)
Go find somebody else don't play me
(Let me be real)
It's irritating I can't fake it, won't you spare me
(La, la la la la la la la la la la la)
(La la la la la la la la la la la la la)
You want something
But you're talking 'bout nothing
One day you'll be wishing
You'll come to realize there's no way
You can get it
Ya tired game you should fix it
Must've got me twisted
Ya same old lines I can't take, no way
(La, la la la la la la la la la la la)
(La la la la la la la la la la la la la)
No way, no way
You can't keep on buggin'

No way, no way
No way, no way
You can't keep on buggin'
No way, no way
No way, no way
You can't keep on buggin'
No way, no way
No way, no way
You can't keep on buggin'
No way, no way
You want something
But you're talking 'bout nothing
One day you'll be wishing
You'll come to realize there's no way
You can get it
Ya tired game you should fix it
Must've got me twisted
Ya same old lines I can't take, no way
(La, la la la la la la la la la la)
(La la la la la la la la la la la la la)
