

Worship You

Julie True

I worship You
I worship You
I worship You
Oh, my Living God

I worship You
I worship You
I worship You
Oh, God

Loving Father, full of mercy
Oh, my brother
Holy Spirit, You're all those things

Every facet of Your being
I receive
Is my God

I worship You
I worship You
I worship You
My God

I worship You
I worship You
I worship You
My God

Full of mercy, full of grace
Your shining face
Is always on me, always near

And You always hear my call
And my prayers to You
Always near
Always here

Never failing love
Everlasting love

I worship You
I worship You
I worship You
My God

I worship You
I worship You
I worship You
My God

Full of mercy, full of grace
Always shining on Your face
Always healing, always loving
Thatâ€™s my Father God

Always loving
Thatâ€™s my Father God
Thatâ€™s my Father God

I worship You
I worship You
I worship You
My God

I worship You
I worship You
I worship You
My God

I worship You
I worship You
I worship You
My God

I worship You
I worship You
I worship You
My God
