Tender Games & Mulay - Flames

Tender Games

Can't you see me know
Now that I am burning
The flames growing high up in the sky to light up the night
Why enhance this sort of distance between you and I
And I'm sick of these lies
Darlin it seems seam to seam
What's going on
Between you and me

Release me
Let go of my hand
Guarding all my chips
And not comprehend
The feelings involved
So don't even bother and baby

Release me
Let go of my hand
Guarding all my chips
And not comprehend
The feelings involved
So don't even bother and baby

Darling it's easy to see
What's going on
Between you and me
I have lost myself
In a place I thought I know
You have found me yeah
Yah I have to step inside my soul and I am there to
But I am scared to lose control
To make the same mistakes again
How wonderful
I can't let go

Release me
Let go of my hand
Guarding all my chips
(Don't let go but I can't stay)
And not comprehend

The feelings involved
(Don't tell me now it's not the stake)
So don't even bother and baby

Release me
(Took you so long to carry on)
Let go of my hand
Guarding all my chips
(The flames so high, now come away)
And not comprehend
The feelings involved
(Don't tell me now it's not the stake)
So don't even bother and baby
Release
