What''s Going On

Smiling Horse

Whatâ€™s going on since youâ€™ve been gone
Tell me where you belong 2x

Once you loved me babe
Our heartâ€™s where young
Was there something weâ€™ve don wrong
Weâ€™ve never looked for trouble
Our hearts where strong
Tell me whatâ€™s going on

Take a look at my respiration
Take a look at me now
You can see our relation
is far off it now

In the way of creation
In the middle of our life
Over see the situation
Give a chance to survive

Whatâ€™s going on since youâ€™ve been gone
Tell me where you belong 2x

Whatâ€™s going on
