Ideal World

Girlpool

I thought I'd found myself today
No one's noticed things are okay
I took a walk down the street
Found nothing beneath my feet
I feel safest in knowing that I am true
When I look in your eyes the idea of you
Put me on a food stamp and a hallmark card
Tranquilize me with your ideal world
I was taught what to believe
Now I'm only certain that no one is free
Tranquilize me with your ideal world
