

# (Love Is Like a) Heatwave

[Phil Collins](#)

Whenever I'm with her  
Well, something inside  
Starts to burnin'  
And I'm filled with desire  
Could it be the devil in me  
Or is this the way love's supposed to be?  
It's like a heatwave  
Burning in my heart  
(It's like a heatwave)  
Can't keep from cryin'  
(Heatwave)  
It's tearing me apart  
Whenever she calls my name  
Whose soft flow, sweet, and plain  
I feel, I feel  
Feel that burning flame  
Has high blood pressure got a hold on me  
Or is this the way love's supposed to be?  
It's like a heatwave  
Burning in my heart  
(It's like a heatwave)  
Can't keep from cryin'  
(Heatwave)  
It's tearing me apart  
Heatwave  
Heatwave  
Sometimes I stare in space  
Tears all over my face  
Can't explain it, don't understand it  
I ain't never felt like this before  
Well, that funny feeling has me amazed  
Don't know what to do, my head's in a haze  
Just like a heatwave  
Yeah, yeah, yeah, yeah  
Ooh, you're in love, girl  
Yes, this is the love girl  
Ooh, girl, get it, girl  
Ooh, you know this is love, girl  
(Ain't nothin' but love, girl)  
Don't pass up this chance  
It could be true romance  
Heatwave  
Yeah, yeah, yeah, yeah  
Burning, burning, burning  
Burning, burning, burning  
Burning, burning, burning
