

# In the Pines

**Brad Paisley & Carl Jackson**

Black girl, black girl, don't lie to me  
Tell me where did you sleep last night?  
In the pines, in the pines where the sun never shines  
I'd shiver the whole night through

My father was a railroad man  
Killed a mile and a half from town  
His head was found 'neath driver's wheel  
His body have never been found

You caused me to weep, you caused me to moan  
You caused me to leave my home

Black girl, black girl, where will you go?  
I'll gog where the cold wind moan  
In the pines, in the pines where the sun never shines  
I'd shiver the whole night through

Longest train I ever saw  
Was a hundred coaches long  
And the only boy I ever loved  
Is on that train and gone

Black girl, black girl, don't lie to me  
Tell me where did you sleep last night?  
In the pines, in the pines where the sun never shines  
I'd shiver the whole night through
