Carry (First Version) [Tim Hecker Remix]

Isis

And the water takes hold
Fills his lungs and crushes his body
Dust floats through sun in water
As you draw close
Fall to me
He sees like his never seen before
I will carry you
True and FreeAnd the water carries him away
Now that you are here
You'll swim with me
Soon he ceases to be at all
I am clutching you
TrueHe sees like he's never seen beforeHe is light in water
