

Take Me Higher

Kate Miner

Verse One

Would you consume me fire of God
And melt away
Everything that is not holy
And that stands in the way
Cause Father when you breathe your words of life
I am changed (changed)
And now let your holy spirit
Pour on me like a flame

Chorus

Until I see you
Until I know you
Until I can touch you
Touch you
Heyyyy
Taaake, take me higher
Taaake, take me deeper
Yeah
Taaake, take me closer
Until I see you
Until I know you
Until I can touch youuuu yeahhhhh

Yeaahhhhhh Yeaahhhhhh

Jesus, you are home
We say Jesus, you are home

(Repeat Verse One)

Taaake, take me higher
Oooh Taaake, take me deeper
Jesus
Taaake, take me closer
Taaake me higher
(Take me higher)
Taaake, take me higher
Taaake, take me deeper
Taaake, take me closer

Taaake, take me higher
