

I Know What I Am

Band Of Skulls

High ho, triple sow cow
I got a feeling like I'm tired of the flow
But I know what I am
They know what they are
So let me be
Gasoline, suck her in
I got no reason for the state I'm in
But I know what I am
They know what they are
So let me be
Hotel, Taco Bell
I got the hit that you know damn well
But I know what I am
They know what they are
So let me be
Cut, tease, better believe
I got the feeling that I'm underneath
But I know what I am
They know what they are
So let me be
But it's alright, it's okay
I got the time but the time don't pay
It's alright, it's okay
I got the time but the time don't pay
It's alright, it's okay
I got the time but the time don't pay
It's alright, it's okay
Flip flop, no stop
I got the wit that my enemies lack
But I know what I am
They know what they are
So let me be
Trick some, just begun
Giving you more when you only want one
'Cause I know what I am
They know what they are
So let me be
Hot, sweat, got debt
Keep looking in the locker 'cause you don't know yet

But I know what I am
They know what they are
So let me be
Ship shape, ticker tape
Looks to me like a narrow escape
But I know what I am
They know what they are
So let me be
But it's alright, it's okay
I got the time but the time don't pay
It's alright, it's okay
I got the time but the time don't pay
It's alright, it's okay
I got the time but the time don't pay
It's alright, it's okay
I know what I am
They know what they are
So let me be
I know what I am
I know what I am
They know what they are
So let me be
I know what I am
I know what I am
They know what they are
So let me be
I know what I am
They know what they are
So let me be
I know what I am
They know what they are
So let me be
I know what I am
They know what they are
So let me be
I know what I am
They know what they are
So let me be
