

Ima Just Do It (feat. Bubba Watson)

[KB](#)

I can't imagine no one else right here with me
You got the magic potion scent all over me
Girl we got something special, take me to my knees
When I see you, when I see you
Oh, boy, it ain't nothin', nothin'
Tell me what you want babe, want babe
It's on me
Oh, boy, it ain't nothin', nothin', it ain't nothin'
I put that on me (I put that on me)
I put that on me (I put that on me)
Forever To my summertime fine
Sublime mind, you're fine wine
Kind eye, shine wild, let me drive by
My kind, my, my
Defy time, I'd die fine, know you're on my side
You're here with me
And as long as I live
You got both eye lenses, got 25 kids (I'm joking)
But I love the way you mother's the dopest
No hocus pocus, a lot of focus to people who want it
Now, spark the romance, got my heart on demand
I pull over, let's park and slow dance
How far, let's advance
Let the voice hit the fan
I leave you when the Lord leaves your man
That's...Always (Always)
Always and forever
Don't hold back, don't hold back
Always (Always)
Always and forever
Don't let go, don't let go
I say, don't let go, don't let go
Don't let go, don't let go
I say, don't let go, don't let go
Don't let go, don't let go I don't know what tomorrow holds
But I know who holds tomorrow
I wanna be with you forever
But I know this marriage is borrowed
I'mma give it back, give it back

Remember that, I presented that
The throne that He been sittin' at
Only little acts and the grand drama divine
Let the world all see how He loves His bride
Listen, bad girls ain't no good
And the good girls ain't no fun
Girl, you ain't either the one
Your identity is soaked in the sun I can't imagine no one else right here with me
You got the magic potion scent all over me
Girl we got something special, take me to my knees
When I see you, when I see you
Let me love you Always (Always)
Always and forever
Don't hold back, don't hold back
Always (Always)
Always and forever
Don't let go, don't let go Why don't you come with me?
Forever, 'till the end of time
Why don't you come with me?
Forever, you'll be mine (Always)
Always and forever
Always
Always and forever) Always (Always)
Always and forever
Don't hold back, don't hold back
Always (Always)
Always and forever
Don't let go, don't let go
I say, don't let go, don't let go
Don't let go, don't let go
I say, don't let go, don't let go
Don't let go, don't let go I can't imagine no one else right here with me
You got the magic potion scent all over me
Girl we got something special, take me to my knees
When I see you
