Hmm
Whatchu doin', Tiesha?
Nothin', just chillin'
Oh, you ain't got nothin' to do tonight huh? You just chillin'?

You ain't got none of them little boys callin' you or nothin' like that?
No, I'm cool, I'm just chillin', What's up?
You must be shy or somethin' if they ain't callin' you right now
You sound like you should be havin' a whole buncha guys callin' you Right now

Can you do me a big favor?
What's that?
I said, Tiesha can you do me one big favor
I said, what's that?
Can you stick yo, finger in yo booty?
Can I do what?

I said can you stick your big finger in yo booty for me?
You can't be serious
Tiesha, don't get me wrong girl, just listen, I mean
The reason I'm you sayin' this is because I think you might like that
You think so?
Yea, I mean you never stuck your finger in yo booty for a man before?
I've never stuck my finger in my booty before at all
Aw, man, you oughtta get that feeling
You'd like that shit
You think so?
