Scream and Shout!!!

Speedbump

(Chorus)Let's turn the lights down low,
and we can let our minds go.
She licks me like a Lollipop,
Don't stop...I'm good to the last drop.
Let's speed this sex to overdrive.
We'll watch these sheets come alive.
I can feel you there is no doubt,
You make me wanna Scream and Shout.(Verse 1)I got money I'm a hustler, boy...
All women treat me like I'm there toy.
I get women, live in the fast lane.
Give them so much pleasure they can't contain.
Dancin' on the floor, gotta show of your moves.
How ya gonna dance man, show us your moves.
Where you at, I got it, bring me them hoes.
She's comin' at me not wearin' much clothes.
(Huh) We're all making love on the dance floor
Let's dance until our feet get sore.
You got the skills baby let's get it on.
Do it all night 'til the break of dawn.
I feel you (mmmm) Can you feel that (mmmm)
I have the sex to flaunt baby,
so let's head to my room.(Chorus)(2nd verse)Back in the club, they all want my money.
Lookin' fine too, like a Playboy bunny.
I'm a man with a one track mind.
Watchin' all the honeys bump and grind.
Gotta flamin red shirt and a drink in her hand
Bent over the speaker talkin' to the band.
She's wearin' a jet skirt and her legs are split.
Headin' for her now, checkin' out the cockpit.
I like it dirty when our bodies meet,
You like it baby your heart skips a beat.
All I wanna do is lick you up and down,
Rock your body movin' your hips downtown.
You make me feel like a pornstar.
Everyone's lookin' like we are bizzare.
So let's take it to the room and finish it there or I can do it right here, baby I don't care.(Chorus)(Bridge)(3rd verse)Here on the floor and our eyes meet.
I wanna rock you to the beat.
I wanna feel you next to me.

Ya got me right where I wanna be.
Ya like how I move ya give me a sign.
We talk for a while, your place or mine?
We grab our things and head for the door.
Everyone knows I'm a gettin' some more.(Chorus 3x)
