

Between Angels And Insects

Papa Roach

There's no money, there's no possessions,
Only obsession, I don't need that shit,
Take my money, take my obsession I just want to be heard, loud and clear are my words,
Coming from within man tell them what you heard,
It's about a revolution, in your heart and in your mind,
'Til you find a conclusion, lost out in obsession,
Diamond rings get you nothing but a life-long lesson,
And your pocketbooks stressing,
You're a slave to the system, working jobs that you hate for that shit you don't need,
It's too bad the world is based on greed,
Step back and see,
Stop thinking about yourself, start thinking about Å?Å! There's no money, there's no possession, only
Obsession, I don't need that shit
Take my money, take my possession, take my obsession,
I don't need that shit Because everything is nothing,
And emptiness isn't everything,
This reality is really just a fucked up dream,
With the flesh and the blood that you call your soul,
Flip it inside out, it's a big black hole,
Take your money burn it up like an asteroid,
Possession, though you're never gonna feel the void,
Take it away and learn your best lesson,
The heart, the soul, the life, the passion There's no money, there's no possession,
Only obsession, I don't need that shit
Take my money, take my possession, take my obsession,
I don't need that shit Money, possession, obsession,
Present yourself, press your clothes, comb your hair,
And clock in,
You just can't win, just can't win,
And the things you own, own you
No! Take my money, take my possession, take my obsession,
I don't need that shit
Fuck your money, fuck your possession, fuck your
Obsession, I don't need that shit
Money, possession, obsession, I don't need that shit
