Stay the Same (Radio Version)

Bent

Oh there's something about you baby,
something that's hard to explain,
don't want you to change it,
re-rearange it,
i just want you to always stay the same.
Though the things in my life keep on changing,
and the things people say can hinder me,
don't want you to change it,
re-rearange it,
i just want you to always stay the same.
(chanting voices)i just want you to always stay the same.
i just want you to always stay the same.
i just want you to always stay the same.
i just want you to always stay the same.
