Take Me Walking In the Rain

Janis Ian

This town isn't big enough for my dreams
This place is just about to break at the seams
Baby, baby, you and I need just a little bigger piece of the sky
Big hopes, big dreams, baby can you set me free?Take me walking in the rain
Take me dancing in the waves, baby
Let 'em wipe away the tears, wash away the years
Take me walking in the rainTake me right here where I stand
Let me feel your heart on mine
Life'll never be the same, we've got everything to gain
Take me walking in the rainThis life may be good enough for the rest
But this heart is just about to break through my chest
I remember every rule I've heard and I'm strangling on every word
I can't say they're wrong but baby, how can I go on?Take me walking in the rain
Take me dancing in the waves, baby
Let 'em wipe away the tears, wash away the years
Take me walking in the rainTake me right here where I stand
Let me feel your heart on mine
I don't want somebody new, I just want the rest of you
Take me walking in the rainTake me right here in the sand, life ain't what we plan
