Autodidakt

Southern Minnesota in the year of 1997
There was a great natural light in the sky
And people ran in fear
And I was so concerned with the welfare
Of the woman standing nearest to me
That I didn't notice when it shown on both of us
Then disappearedI asked her
Do you know what that was
And did it shine for only us?
Tell me do you know what that was
Was it a sign
I think it probably wasPittsburgh, Pennsylvania in the year of 1987
There was a great natural light in the sky
And people ran in fear
And I was so concerned with the welfare
Of my brother standing nearest to me
That I didn't notice when it shown on both of us
Then disappearedI asked him
Do you know what that was
And did it shine for only us?
Tell me do you know what that was?
Was it a sign
I think it probably wasWas it a sign
I think it probably was
