

If Only for the Good Times

Guys 'n' Dolls

In your eyes there's no use in trying
In your eyes all we have is gone
But in my eyes we had a lot of good times
And it's so sad to see it all go wrong

So if only for the good times, baby
Won't you hold me, say you're gonna stay
Believe me we had a lot of good times
And the memories you don't throw away

Remember holding hands
Walkin thru' the sands
Till the tide came in again
It seemed it would last forever then
Why change that now?

So if only for the good times, baby
Won't you hold me, say you're gonna stay
Believe me we had a lot of good times
And the memories you don't throw away

Remember summer nights
When we watched the lights
Turn slowly into grey
And we let the world seem far away
Why lose that now?
Why lose that now?
When I want you to stay

So if only for the good times, baby
If only, if only, wont you
Won't you hold me, say you're gonna stay
I just want you to stay
Believe me we had a lot of good times
And the memories you don't throw away
And the memories you don't throw away
