

Sangria Wine

[Jerry Jeff Walker](#)

When friends come for Saturday night
It's nice to make up some Sangria wine
It's organic and it comes from the vine
It's also legal and it gets you so high Yeah I love that Sangria wine
When I'm drinking with old friends of mine
Yeah I love that Sangria wine
When I'm drinking with old friends of mine Whoa oh oh Whoa oh oh I love Sangria wine
Whoa oh oh Whoa oh oh I love Sangria wine Start with some wine
Get some apples and brandy and sugar just fine
Old friends always show up on time
That's why you add Sparkling Burgundy wine Whoa oh oh Whoa oh oh I love Sangria wine
Whoa oh oh Whoa oh oh I love Sangria wine In Texas on a Saturday night
Everclear is added to the wine sometimes
Some nachos, burritos and tacos
Who knows how it usually goes, it goes Whoa oh oh Whoa oh oh I love Sangria wine
Whoa oh oh Whoa oh oh I love Sangria wine Yeah I love that Sangria wine
Just like I love old friends of mine
They tell the truth when they're mixed with the wine
That's why I blend in the lemons and limes
