

Stinging Needle

Brett Fuentes

Revelations come from a rebel stream
Calling now or so it seems
Castle controls
But not for longSee the watchers waiting
With their gold and hating
Every move I try to make
Walls building all around me it don't matter nowHere we are with a dream for a better existence
March if you want but you'll need a persistence
Take the time, make it right
Feel your love insideSeems to rattle in my head
Keep it going
Seems to rattle in my head
Stay strong
Seems to rattle in my head
Keep it going
Seems to rattle in my head
Stay strong
Seems to rattle in my head
Keep it going
Seems to rattle in my head
Stay strong
Seems to rattle in my head
Maybe it's just me
But I see a chemtrail falling down from the sky
