Maybe (Braithouse extended remix)

Brainstorm

My body, My hand
My heaven, My land
My guardian angel is mineYou say...
My dreams, My head
My sex, My bed
And it's my Corona with limeAnd then I say ..
Maybe we could divide it in two
Maybe my animals live in Your ZooYou say..
My hate, My frown
My kingdom, My crown
My palace and court is mineYou say..
My lights, My show
My years to grow
The time that I spend is fineBut then I say ..
Maybe we could divide it in two
Maybe my animals live in Your Zoo
Maybe I'm in love with You....But You say...
My coat, My hat
My bones, My fat
My zipper is shut by meYou say..
My Skin, My blood
My devil, My God
My freedom is what You seeBut then I say
Maybe we could divide it in two
Maybe my animals live in Your Zoo
Maybe I'm in love with You....My beginning, My end
My nuclear bomb to pretend.....
