

# Mercy Now

Mary Gauthier

My father could use a little mercy now  
The fruits of his labor fall and rot slowly on the ground  
His work is almost over it won't be long, he won't be around  
I love my father, he could use some mercy now My brother could use a little mercy now  
He's a stranger to freedom, he's shackled to his fear and his doubt  
The pain that he lives in it's almost more than living will allow  
I love my bother, he could use some mercy now My church and my country could use a little mercy now  
As they sink into a poisoned pit it's going to take forever to climb out  
They carry the weight of the faithful who follow them down  
I love my church and country, they could use some mercy now Every living thing could use a little mercy now  
Only the hand of grace can end the race towards another mushroom cloud  
People in power, they'll do anything to keep their crown  
I love life and life itself could use some mercy now
