

Pain

Hollywood Undead

[Verse 1: Johnny 3 Tears]

The necks of this youth,
With their necks through this noose.
We're told lies like it's truth,
And we suspect that it's you.
So you strap them with the AK,
It's motherfucking may day.
They swear I'm fucking crazy,
Ain't nothing gonna save me.

I'm breaking, I feel it.
I'm naked, I'm kneeling.
I'm shaking, I'm reeling.
My God, I keep bleeding.
I watch the world die through crimson eyes,
I cry it turns to night.
I die I see the light,

And now I'll say goodbye.[Chorus: Deuce]
Now I can see your pain, I'm sorry!

GOODBYE!

I cry so hard.

Now I can see your pain, I'm sorry!

GOODBYE!

I cry tonight![Verse 2: Charlie Scene]

If I could take all this pain away,
Use the rage of our youth today.
Who's to say that it's you to blame?
It's the people above you,
The ones who say that they love you.
Look what the world has come to,
So now it's time to say "fuck you!"
If you care then they drug you,
And no one's there when they numb you.
Fill you with terror and crush you,
Pretend they care as they shove you.
So you look to me to find the truth,
And what I say is what you do.
But everyone you look up to,
Is really as fucked up as you.
Time is getting shorter,

With these enforced disorders.
And we get blamed and pushed around,
So who's the fucking villain now?[Chorus: Deuce]
Now I can see your pain, I'm sorry!
GOODBYE!
I cry so hard.
Now I can see your pain, I'm sorry!
GOODBYE!
I cry tonight![Brige: Deuce]
We can't stop now!
We're so close now!
'Cause these times are almost over!
I won't give up!
So God save us!
It feels like we're getting closer!
We can't stop now!
We're so close now!
'Cause these times are almost over!
I won't give up!
So God save us!
WHOA![Chorus: Deuce]
Now I can see your pain, I'm sorry!
GOODBYE!
I cry so hard.
Now I can see your pain, I'm sorry!
GOODBYE!
I cry tonight![Outro: Deuce]
GOODBYE!
I cry tonight!
I'll cry tonight!
I cry tonight!
