I've been thinking about what you said
It's been going around in my head
I've been thinking about what you were
It's a messy messed up blurAnd when the con was over
One thing I learned
I think you'd be better off, if you were dead
I think you'd be better off, if you were dead
I think you'd be better off, if you were deadThink your check might last a year?
Ain't got no worries, ain't got no fear
You change so fast, you're such a creep
You make me feel so very cheapAnd when the heist was over
I guess, I got burned
I think you'd be better off, if you were dead
I think you'd be better off, if you were dead
I think you'd be better off, if you were dead
I think you'd be better off, if you were dead
