I've been thinking about what you said
It's been going around in my head
I've been thinking about what you were
It's a messy messed up blur And when the con was over
One thing I learned
I think you'd be better off, if you were dead
I think you'd be better off, if you were dead
I think you'd be better off, if you were dead Think your check might last a year?
Ain't got no worries, ain't got no fear
You change so fast, you're such a creep
You make me feel so very cheap And when the heist was over
I guess, I got burned
I think you'd be better off, if you were dead
I think you'd be better off, if you were dead
I think you'd be better off, if you were dead
I think you'd be better off, if you were dead
