

The Rage Of Angels

Jedi Mind Tricks

yea

Jedi Mind Tricks

my man Stoup holdin' me down

yea yea

It's been five years since you've been locked in the PEN

And not to mention all the fuckin drama it bring

You always in my heart and that's a BEAUTIFUL thing

like warm air flowin from a beautiful spring

But that's sum wild shit to do to a king

And maybe some day i'll get used to the sting

For now i'll been thinkin about you everyday

And how we use to dumb out in everyway

Brought a smile to my face on my hardest of days

and praying that your mother and your father can raise

Your little brother into a man one day

I'll stay in touch with him so the plan won't stray

But don't you worry about your little brother, he fine

He smart with a heart and he steadily shine

And if the little soulja ever step outta line

u know i'm gonna be there to show him the time

So what the deal 'causein how it feel right now

I'll be there soon so just chill right now

Whas the deal 'causein how you feel right now

I'll be there soon so just chill right now

Yea it's Vinnie Paz, you know i'm sayin, Jedi Mind i'm holdin' u down baby

I'd rather walk these hollow grounds wit a glock or four pounds

Police lookin over my back with a glock it's low down

Wit a clock that slows down, it shoots flock wit no sound

And i'm carried away on my back like a stone popper party

Lyin' til' my soul hurts (soul hurts)

Mad as fuck scared and stuck, i can't control earth

Surrounded feelin like a cold hearse wanting to fold first

I thank my peeps every day be'cause they chose birth

I'm totally grateful, at times i act hateful

Ya'll wish ya'll feed over me to reside in a gold cradle

Brown paper bag living in the latest whips

Trips to Ep Cops Centre in the space and shit

Always reminisce about the shit you laced us with

Always the street legend to the bravest cliques
And now i see niggaz gettin, it makes me sick
The same shit that could've made us rich, made us snitch
Divide the men from the boys see what makes them bitch
To watch mothers lovin' struggles just to raise their kids
Soar my mind every time that i raise this fifth
And drink the bottle til' it's hollow and it all makes sense
Get it right, blood is thicker than water, could never shit on my peeps
outer space
