England

The Adicts

I hate this war, can't take any more
It's a real gas, how long does it last?
I don't wanna die for England
I don't wanna die at allI, I, I, I, ooo
I, I, I, I, oooI got my uniform, now it's battle torn
I'm wet and I'm cold, what a way to grow old
I don't wanna die for England
England will surviveI, I, I, I, ooo
I, I, I, I, ooo
I, I, I, I, ooo
I, I, I, I, ooo
