

Walk On By (Australia Bonus Track)

[Britney Spears](#)

I'm coming down with a heartache tonight
Only you can make it right
If I can't be with you holding you tight
There won't be no morning light[Bridge]
Everywhere I turn
I see your face
Reminding me of a higher place
Everytime you smile, angels cry
Everytime you walk on by[Chorus]
I'm not the only
Feeling lonely
Every time you walk on by
I try to say something
But end up with nothing
Everytime you walk on byEverytime you walk on by
I keep my cool
I pretend I'm not in
Everytime you come too near
I'm such a fool 'cause
This love is true
And if I don't tell you
Someone else surely will[Bridge][Chorus]Feeling lonely
If I ever see you again
This queasiness must find an end
I look at you and I promise myself[Chorus x2]Every time you walk on by
Every time you walk on by
