Love Struck (Jason Nevins Club)

V Factory

You got my attention when you made that move
I, I can't help it cause I'm stuck like glue
Why, why am I the only one to see?
Girl, I really want to get that, get that
Relation, no doubt about itWho can do it like you do it when you do?
So hooked up on you like a tattoo
I'm serious about it
Girl, I really want to get that, get that
Relation, no doubt about itI'm craving for you and just like a fool
There's no way I can stop, stop, stop my desire
I'm craving for you and you know it too
There is no one that can top, top, top your smileGirl you got me
Love struck, you got me
Love struck, girl you got me
Love struck oh, oh, oh, ohGirl you got me
Love struck, you got me
Love struck, girl you got me
Love struck oh, oh, oh, ohI, I, I love it when you give me that smile
I've, I've being waiting for this for a long time
My, my, my premonition is telling me try
Girl, I really want to get that, get that
Relation, no doubt about itI have to give you credit for your style
And I want to be with you for awhile
I got to give it up cause
Girl I really want to get that, get that
Relation, no doubt about itI'm craving for you and just like a fool
There's no way I can stop, stop, stop my desire
I'm craving for you and you know it too
There is no one that can top, top, top your smileGirl you got me
Love struck, you got me
Love struck, girl you got me
Love struck, oh, oh, oh, ohGirl you got me
Love struck, you got me
Love struck, girl you got me
Love struck oh, oh, oh, ohYeah, you got me like a puppet on a string
I can't stop it, girl you make my head spinAnd just like a fool
There's no way I can stop, stop, stop my desire
I'm craving for you and you know it too
There's no one that can top, top, top your smileI'm craving for you and just like a fool

There's no way I can stop, stop, stop my desire
I'm craving for you and you know it too
There's no one who can top, top, top your smileGirl, you got me
Love struck, you got me
Love struck, girl, you got me
Love struck, oh oh oh ohGirl, you got me
Love struck, you got me
Love struck, girl you got me
Love struck, oh oh oh oh
