

# One Way Ticket (Because I Can)

LeAnn Rimes

Standing on the border  
Looking out into the great unknown  
I can feel my heart beating faster  
As I step out on my own There's a new horizon  
And the promise of favorable wind  
I'm heading out tonight, traveling light  
I'm gonna start all over again And buy a one way ticket on a west bound train  
See how far I can go  
(Because I can)  
I'm gonna go out dancing in the pouring rain  
And talk to someone I don't know (Because I can)  
I will face the world around me  
Knowing that I'm strong enough to let you go  
And I will fall in love again because I can Gonna climb the mountain  
And look the eagle in the eye  
I won't let fear clip my wings  
And tell me how high I can fly How could I have ever believed  
That love had to be so blind  
When freedom was waiting, down at the station  
All I had to do was make up my mind And buy a one way ticket on a west bound train  
See how far I can go  
(Because I can)  
I'm gonna go out dancing in the pouring rain  
And talk to someone I don't know (Because I can)  
I will face the world around me  
Knowing that I'm strong enough to let you go  
And I will fall in love again because I can Well, I have walked through the fire  
And crawled on my knees  
Through the valley of the shadow of doubt  
Then the truth came shining like a light on me  
And now I can see my way out I'm gonna buy a one way ticket on a west bound train  
See how far I can go  
(Because I can)  
I'm gonna go out dancing in the pouring rain  
And talk to someone I don't know I'm gonna buy a one way ticket on a west bound train  
Gonna have my breakfast with some pink champagne  
I'm gonna sail the ocean, I'm gonna spread my wings  
Gonna climb that mountain, gonna do everything
