

# Sin City

J.D. Crowe

This old town's filled with sin  
It will swallow you in  
If you've got some money to burn  
Take it home right away  
You've got three years to pay  
But Satan is waiting his turn  
The scientists say  
It will all wash away  
But we don't believe any more  
'Cause we've got our recruits  
And our green mohair suits  
So please show your I.D. at the door  
This old earthquake's gonna leave me in the poor house  
It seems like this whole town's insane  
On the thirty first floor a gold plated door  
  
Won't keep out the Lord's burning rain  
A friend came 'round  
Tried to clean up this town  
His ideas made some people mad  
But he trusted his crowd  
So he spoke right out loud  
And they lost the best friend they had  
This old earthquake's gonna leave me in the poor house  
It seems like this whole town's insane  
On the thirty first floor a gold plated door  
Won't keep out the Lord's burning rain  
On the thirty first floor a gold plated door  
Won't keep out the Lord's burning rain
