I'm Leavin'

Lisa Stansfield

Bye bye, bye byeI come home from work and have a glass of wine
Kick off my shoes and wait on you
Well it's way past dawn and you're still gone
Where in the world is my boo?See I was fallin' asleep and you were creepin' in
I never would have noticed until when
Until I smelt perfume the kind I do not wear
My baby's been messin' around againYou shouldn't have done me babe
Now watch what I do to you
Baby I'm leavin', I'm leavin'
I'm leavin', I'm leavin' youYou shouldn't have done me babe
Now watch what I do to you
Baby I'm leavin', I'm leavin'
I'm leavin', leavin' youHow could I be so dumb?
I thought I loved a man
But more and more you proved to be a boy
Now I understandBut I can't baby sit no more
It's not what I loved you for
I'd rather be alone bye, bye
'Cause I'm really leavin' this timeYou shouldn't have done me babe
Now watch what I do to you
Baby I'm leavin', I'm leavin'
I'm leavin', I'm leavin' youYou shouldn't have done me baby
Now watch what I do to you
Baby I'm leavin', I'm leavin'
I'm leavin', leavin' youLook at you now beggin' down on your knees
Thinking I'm coming back, oh child please
I said I was leavin', I mean what I say
There's no turning around, I'm leavin' today, oh baby
I am on my way, I am on my wayShouldn't have done me babe
Now watch what I do to you
Baby I'm leavin', I'm leavin'
I'm leavin', leavin' youYou shouldn't have done me babe
Now watch what I do to you
Baby I'm leavin', I'm leavin'
I'm leavin', leavin' youShouldn't have done me babe
Now watch what I do to you
Baby I'm leavin', I'm leavin'
I'm leavin', leavin' youYou shouldn't have done me babe
Now watch what I do to you

Baby I'm leavin', I'm leavin'
I'm leavin', leavin' youNo I can't baby sit no more
It's not what I loved you for
I'd rather be alone bye, bye
'Cause I'm really leavin' this timeYou shouldn't have done me babe
Now watch what I do to you
Baby I'm leavin', I'm leavin'
I'm leavin', leavin' youYou shouldn't have done me babe
