

# Be Nice To Me

## Todd Rundgren

No catch, no strings  
None of the usual things  
I'm happy just to lay and look  
Let's throw out the book  
Now we're off the hook  
And please just be nice to me  
Won't you be nice to me, nice to me  
So tired so sad  
So sick of being had  
By everyone who comes along  
Would it be so wrong  
If you played along  
And please just be nice to me  
And would it bring you down  
If I hang around  
Just be nice to me  
It's been a long, long time

Since I felt so fine  
And I know your love is fine  
I know what's on your mind  
But don't laugh, don't cry  
Don't make me wonder why  
You're doing what you're doing now  
Can't you see somehow  
It's the wrong time now  
So please just be nice to me  
Be nice to me  
It's been a long, long time  
Since I felt so fine  
Just be nice to me  
I know I ain't in heat  
And it would feel real neat
