

Stupid Boy (The Pajama Sessions)

[Sarah Buxton](#)

She was precious like a flower
She grew wild, wild but innocent
Perfect prayer in a desperate hour
She was everything beautiful and different
Stupid boy, you can't fence that in
Stupid boy, it's like holding back the wind
She laid her heart and soul right in your hands
And you stole her every dream and crushed her plans
She never even knew she had a choice
That's what happens when the only voice
She hears is tellin' her she can't
Stupid boy, you stupid boy
So what made you think you could take her life
And just push it, push it around?
I guess to build yourself up so high
You had to take her and break her down
She laid her heart and soul right in your hands
And you stole her every dream and you crushed her plans
She never even knew she had a choice
That's what happens when the only voice
She hears is tellin' her she can't
Stupid boy, ah you always had to be right
And now you lost the only thing that ever made you feel alive
She laid her heart and soul right in your hands
And you stole her every dream and you crushed her plans
She never even knew she had a choice
That's what happens when the only voice
She hears is tellin' her she can't
Stupid boy, ah, it's the same old
Same old, stupid boy
It took a while for her to figure out she could run
But when she did she was long gone, long gone, yeah
Stupid boy, you're just a stupid boy
You never get it right, do you?
