Color

[The Maine](#)

[Verse1]
She said "let it slide"
All the things that I
Have running through my mind
Will all be gone in time
Remember son
All the things you've done
And all the things you lost
And all the things you won[Pre-chorus]
We're just trying to find some color in this
black and white world[Chorus]
Tell me everything will be alright
Walk this way with me into the night
'Cause you can let it slide
Baby just for the night
Just know that everyone feels broken sometimes[Verse2]
She said "take your time"
Things will be just fine
Don't bite the hand that feeds
'Cause nothing's ever mine
And just wait your turn
And always try to learn
To love the ones that don't show love in return[Pre-chorus]
We're just trying to find some color in this
black and white world[Chorus]
Tell me everything will be alright
Walk this way with me into the night
'Cause you can let it slide
Baby just for the night
Just know that everyone feels broken sometimes[Bridge]
When you're walking backwards
Don't be afraid to close your eyes
'Cause the truth is, darling
That everything will be alright(alright)[Chorus]
Tell me everything(tell me anything)
Walk this way with me(just tell me everything)
'Cause you can let it slide
Baby just for the night
Just know that everyone feels broken sometimes[Chorus]

Tell me everything will be alright
Walk this way with me into the night
You can let it slide
Baby just for the night
Just know that everyone feels broken sometimesOh yeah, everyone feels cheated sometimes
Yeah we all feel a little fucked up sometimes
