Hard Luck

Orange Goblin

Hey, hey, hey
Hey, hey, hey
Hey, hey, heyYou come up to me saying that you can see
While the whole of things, your useless
Say you're not a friend, drives you 'round the bend
Everything he does is success
Haven't you been told, you will soon be old
Bet your life and now, will charm thisHard luck, but you got what you wanted
Hard luck, but you got what you wanted of me
Hard luck, but you got what you wanted
Hard luck, but you got what you wanted of me
Hard luck, hard luckHe's been working hard, he can run a car
Only catching girls that he knows
He gets out quite late, you lie on till late
Lying in your bed reading Beanos
If you wanted him you may not have been
A song between the sucking VenosHard luck, but you got what you wanted
Hard luck, but you got what you wanted of me
Hard luck, but you got what you wanted
Hard luck, but you got what you wanted of me
Hard luck, hard luckHey, hey, hey
Hey, hey, hey
Hey, hey, heyHard luck, but you got what you wanted
Hard luck, but you got what you wanted of me
Hard luck, but you got what you wanted
Hard luck, but you got what you wanted of me
