

# Celebration (feat. T-Pain)

Tyga

I ain't gotta do nothing, I ain't gotta say shit, rnEverybody put your cups up and roll the blunts up, it's a fucking  
rnCelebration rnYeah, everything is alright, I propose a toast to the greatest rnYou be get up on this grind shit  
baby rnIt's a fucking celebration rnrnWiling in this bitch cause I'm better rnModels at my table when they down  
for whatever rnIt's a cold world so it's heat in my leather rnWe gonna make it rain, we ain't tripping off the  
weather rnWork day suit removed... jay baby baby let me put you on game rnI got that crazy crazy eye drive  
you insane rnEvery play... make these niggas know my name rnT raw, young star, gringo, shining hard... rnIf  
you ain't sipping and you tripping better drink more rnToo many dicks on the field trying to get yours rnWhat  
your home girl don't know rnWon't hurt her so girl let go rnThey say they ain't tricking nigga got it rnBut we  
ain't tricking... got it, so rnrnI ain't gotta do nothing, I ain't gotta say shit, rnEverybody put your cups up and  
roll the blunts up, it's a fucking rnCelebration rnYeah, everything is alright, I propose a toast to the greatest  
rnYou be get up on this grind shit baby rnIt's a fucking celebration rnrnFly, fly niggas do fly thangs rnOverseas,  
I can put you on my dream team rnHigh king,... 2 rings, yeah we on one rnWe ain't never done, it's small fun  
when you living how we living rnBig living room, beautiful women rnBaby take your shoes off, she just trying  
to kick it rnGone down town now, she gonna let me kiss it rnSo good, yep yep, young money and we all good  
rnAll my homies in the... wish a nigga would rnIf a nigga could, I don't think he should rnGetting money,  
rocking clubs like t woods rnBright lights like we living in the sky rnErybody put your hands high rnIt ain't  
tricking nigga got it rnBut we ain't tricking... got it, so rnrnI ain't gotta do nothing, I ain't gotta say shit,  
rnEverybody put your cups up and roll the blunts up, it's a fucking rnCelebration rnYeah, everything is alright, I  
propose a toast to the greatest rnYou be get up on this grind shit baby rnIt's a fucking celebration
