

# Best of a Bad Situation

## Wolfmother

She fell in love with a Hong Kong sunset, just the other day  
She fell in love with a brand new concept, made me a king for a day  
King for a day  
King for a day Now I gotta pay I made the best of a bad situation  
Now it's time to go  
I made the best of a bad situation  
Now I guess I know I walked around for a day or two with cold and sleepy eyes  
I saw the vampires gather round with their alibis  
With their alibis  
With their alibis I made the best of a bad situation  
Now it's time to go  
I made the best of a bad situation  
Now I guess I know I spent some time feeling sore, I spent some time feeling slow  
She wouldn't give me the time of day and now she's gone away  
Now she's gone away  
I just don't know what to say I made the best of a bad situation  
Now it's time to go  
I made the best of a bad situation  
Now it's time to go  
I made the best of a bad situation  
Now I guess I know  
I made the best of a bad situation  
Now I guess I know  
I made the best of a bad situation  
Now I guess I know  
I made the best of a bad situation  
Now I guess I know
