

# We Are All Made Of Stars (Downtempo)

## Moby

Growing in numbers  
Growing in speed  
Can't fight the future  
Can't fight what I see  
People they come together  
People they fall apart  
No one can stop us now  
'Cause we are all made of stars  
Efforts of lovers  
Left in my mind  
I sing in the reaches  
We'll see what we find  
People they come together  
People they fall apart  
No one can stop us now  
'Cause we are all made of stars  
People they come together  
People they fall apart  
No one can stop us now  
'Cause we are all made of stars  
Slow slow slow, come come  
Someone come come come  
Even love is goin' 'round  
You can't ignore what is goin' 'round  
Slowly rebuilding  
I feel it in me  
Growing in numbers  
Growing in peace  
People they come together  
People they fall apart  
No one can stop us now  
'Cause we are all made of stars  
People they come together  
People they fall apart  
No one can stop us now  
'Cause we are all made of stars  
People they come together  
(People they come together)  
People they fall apart  
(People they fall apart)  
No one can stop us now  
(No one can stop us now)  
'Cause we are all made of stars  
(We are all made of stars)  
We are all made of stars  
People they come together  
We are all made of stars

(People they fall apart)  
We are all made of stars  
(No one can stop us now)  
'Cause we are all made of stars  
(We are all made of stars)
