

Rude Girl

J-Co

[Chorus Sean Kingston]

Come here rude girl, girl

Can you get it up

Come here rude girl, girl

Can I get a touch

Shake it, shake it

Baby, baby

Shake it, shake it

Shake it, for me

[Chorus Sean Kingston]Come here rude girl, girl

Can you get it up

Come here rude girl, girl

Can I get a touch

Shake it, shake it

Baby, baby

Shake it, shake it

Shake it, for me

[Verse One - Sean Kingston]Want a boy from the West Indies

Sean Kingston I'm him, that will be me

Introduce you to stuff you will never see

Cause I will take you around the world in a first class seat

Money ain't a thing when I'm around

Jay-Z and Rihanna can run this town

I'm a real young man so I can put it down

Down Down

I learned a lot coming from that corner

Now I'm in the game

I can say what I want

You can tell with my guard I am a grown up

So baby stop playin, and just come over

eh eh...

[Chorus Sean Kingston]Come here rude girl, girl

Can you get it up

Come here rude girl, girl

Can I get a touch

Shake it, shake it

Baby, baby

Shake it, shake it

Shake it, for me
[Chorus Sean Kingston]Come here rude girl, girl
Can you get it up
Come here rude girl, girl
Can I get a touch
Shake it, shake it
Baby, baby
Shake it, shake it
Shake it, for me
[Verse Two - Sean Kingston]Baby, show me were I'm at on your list
You can show me how to ride on your ???
(Eh Eh)
It's Sean King you know the name, I'm spitting all the flames
Money ain't a thing when it comes to the cause yo
Pull out my ??? looking like a car show
Bentley, ?Fanto?, even Murcielago
Think I can't rap
I'll tell them what they need to know.
