## Mansun

I'm gonna sit on my own, maybe all alone I'm gonna lie on the couch, 'cos I won't go out She'll take it easy again, ending up in hell Just like the scum of the Earth, but I'll crash here first We're all in this together Ski Jump Nose forever Yeah, oh, oo, say we're gonna keep it together Yeah, oo, say we're gonna keep it together Yeah, oo, I don't wanna talk about it She's gonna get herself out from her plastic town She's gonna get out her house, gonna get down South She'll take it easy again, she'll end up in hell She's only playing the game, change her name again We're all in this together Ski Jump Nose forever We're all in this together Ski Jump Nose forever We're all in this together Yeah, oh, oo, say we're gonna keep it together Yeah, oo, say we're gonna keep it together Yeah, oo, I don't wanna talk about it Chad's got an anorak Nik nak paddy wak, Chad's got an anorak Glad you're tuned to Ski Jump Nose, so come on down and Hide our shame, you love, you love the fame
