My Generation

Captain Jack

My generation)
CJ, 'cross the nation
Solid is my foundation
I'll get you information
help you fix the situationPlay me
Radio station
With no complications
I am an inspiration
To the whole generationParty, throw your hands up
Party, throw your hands up
Party, throw your hands up
Get 'em up high
Party, throw your hands up
Party, throw your hands up
Party, throw your hands up
Get 'em up high
(My generation)It's my generation
Feel the rhythm of the nation
Take my hand
To understandIt's my generation
Feel the rhythm of the nation
Take my hand
To understandIt's my, it's my generation
It's my sweet temptation
Let me free your soul
It's my, it's my generation
It's my sweet temptation
Let me free your soul(My generation - it's my generation)
(My generation - it's my generation)
(My generation)
