

Emotional Dreams

April Wine

(myles goodwyn)

Published by mfg sing sing music/socan - ascap Well you best get ready, cause it's spreading the news

I promised myself that I would see it through
A lot of pushin' and shovin', won't wear me down
I've come of age, I been lost and found
Another chance of makin' it good

I know that I promised her, that I said that I would
Alright, well alright, it's all on the line This time it's right, this time
Our emotional dreams, they all come true
And I can see the light, baby

And our emotional dreams, they all come true Well keep it up now, and hope my dreams come true

I won't give in, I'm gonna see it through
I'm livin' (livin'), and lovin' (and lovin'), just as I should
Satisfied that it feels so good

I won't want no one bringin' me down
Keep on pushin' girl, our feet's on the ground
Alright, well alright, it's all on the line This time it's right, this time
Our emotional dreams, they all come true
And I can see the light, baby

And our emotional dreams, they all come true I've been turned upside down, lord
Inside out, but it's comin' around

So I best get ready, cause it's my turn to win
I've been so far down, it almost did me in
I'm ready, and willing, my heart's on the line
I'll see it through, I'll get it right this time
Well I can taste it, it's comin' my way
I'll take tomorrow, but I'll live for today
Alright, well alright, yeah yeah yeah
Well alright, it's all on the line This time it's right, this time
Our emotional dreams, they all come true
And I can see the light, baby
And our emotional dreams, they all come true
They all come true, they all come true, they all come true
