Say It Right

Europa FM

In the day, in the night
Say it right, say it all
You either got it or you don't
You either stand or you fallWhen your will is broken
When it slips from your hands
When there's no time for joking
There's a hole in the planOh, you don't mean nothing at all to me
No, you don't mean nothing at all to me
Oh, you've got what it takes to set me free
Oh, you could mean everything to meI can't say that I'm not lost and found
I can't say that I don't love the light and the dark
I can't say that I don't know that I am alive
And all of what I feel I could show you tonightOh, you don't mean nothing at all to me
No, you don't mean nothing at all to me
Oh, you've got what it takes to set me free
Oh, you could mean everything to meFrom my hands I can give you, something that I made
From my mouth I can sing you another brick that I laid
From my body I can show you a place, God knows
If you know this place is holy, do you really want to go?
