

# What a Wonderful World

Willie Nelson

I see trees of green red roses too  
I see them bloom for me and you  
And I think to myself, what a wonderful worldI see skies of blue and clouds of white  
The bright blessed days the dark sacred nights  
And I think to myself, what a wonderful worldThe colors of the rainbow so pretty in the sky  
Are also on the faces of people going by  
I see friends shaking hands saying "How do you do?"  
They're really saying 'I love you'I hear babies crying, watch them grow  
They'll learn much more than I'll never know  
And I think to myself what a wonderful world  
And I think to myself what a wonderful world
