

# Heavy

## Whirr

Stuck on you,  
My mind is reeling  
Fold onto the floor,  
The walls are peeling Sneer at sleep up to the ceiling,  
Immerse myself into reverie Stuck on you,  
Stuck on you Heavy,  
Dream consuming,  
No time to unwind,  
Sleep will not soothe me Sneer at sleep up to the ceiling,  
Immerse myself into reverie  
(x2) Sneer at sleep up to the ceiling
