Straight Lines

[Wood](#)

Well, I tried so hard but it was not enough
I guessed wrong and I messed up
But I think I still believeWhen you walk in a straight line
You don't have to worry
When you walk in a straight line
Things get out your wayWhen you walk in a straight line
You don't have to worry
When you walk in a straight line
You can face the dayDown by the river stands a man
Trouble on his mind, running out of plans
But I think I still believeWhen you walk in a straight line
You don't have to worry
When you walk in a straight line
Things get out your wayWhen you walk in a straight line
You don't have to worry
When you walk in a straight line
You can face the day
