

Back Together Again (feat. Chantae Cann)

[Tony Momrelle](#)

Seems, we've weathered
Hard times, we've been through
In silence, I've waited
I've missed you
(missed you too)
Cause you, you and I
Back together again
Got the world in his
Cause you, you and I
Back together again
Got the world in his
Ay ay ay, back together
In song, your forgiveness
Problems we've defeated
And I'm here, with my heart in hands
You can take all I got, if you need it baby
Cause you, you and I, back together again
Got the world in his
You, you and I, back together again
Got the world in his
Love would last forever (forever)
We can make it real (Got to feel real)
Say you lead me never (never)
We can truly feel (watcha feel)
I feel like gettin' back together (back together)
Younger and wiser, time has shown the way
We've come, from circles to stay (Don't go away, oh baby)
Cause you, you and I, back together again
Got the world in his
You, you and I, back together again
Got the world in his
Truth, it's' the light, it's the joy that we both share
Make love, tonight, it's so easy to do when you
Love will last forever (forever)
We can make it feel real (Got to feel real)
Say you lead me never (never)
We can truly feel (watcha feel)
I feel like gettin'
back together (back together)

(oh, oh baby) (why)
Hard times have only made us stronger gave us strength
True love has brought us back together
Together again
(ohhhhhhhhhh)
Cause you, you and I, back together again
The world keeps on spinning baby
oh right
back together again woahhh
world keeps on spinning baby
back together again
oh girllll
back together baby
back together again
ohhh
back together again
togetheerrrrrr
back together again
back together again
back together
back together again
alright girlllll
