

Promised You a Miracle

Simple Minds

Promised you a miracle
Belief is a beauty thing
Promises, promises
As golden days break wonderingChance as love takes a train
Summer breeze and brilliant light
Only love she sees, he controls on love
Love sails to a new lifePromised you a miracle
Belief is a beauty thing
Promises, promises
As golden days break wonderingOnly love she sees, he controls on love
Life mirrors a cure, everything is possible
With promises everything is possible, oh noI promised you a miracle
Belief is a beauty thing
Promises, promises
As golden days break wonderingChance, reflects on them a while
Love screams so quietly
Slipping back on golden times
Breathing with sweet memoriesPromised you a miracle
Oh, belief is a beauty thing
Promises, promises
As golden days break wonderingOnly love she sees, he controls on love
Life mirrors a cure an' everything is possible
In the game of life everything is possible, oh noChance, lost pearls of great price
Take care of family
Only aches for love, love waits for fame
In chance, in chance theyll seeI promised you a miracle
Oh, belief is a beauty thing
Promises, promises
As golden days break wonderingOnly love she sees, he controls on love
Life throws a cure, everything is possible
In the game of life, a burning dream
You can be queen, everything is possibleShe sees only love, he controls on love
Life throws a cure, in the game of life
Everything is possible, a burning dream
You can be queen, everything is possible
